**Request For Certificate Of Correction Under Rule 323**

Attn: Certificate of Correction Branch  
Commissioner for Patents  
P.O Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

Applicants hereby request that a Certificate of Correction under Rule 323

02/09/2007 CKHLOK 00000007 503367 6946007

be issued for U.S. Patent 6,946,007 to correctly state the name of the Assignee. Due to an inadvertent typographical clerical error, Applicants submitted Issue Fee Transmittal Form PTOL-85 with Item 3 designating incorrect parties as the Assignees of U.S. Patent 6,946,007. The originally-filed Form PTOL-85 erroneously listed "Sony Corporation" and "Sony Electronics Inc." as the Assignees. In fact, U.S. Patent 6,946,007 is actually assigned to "Maxwell Technologies, Inc.," and was never assigned to either Sony Corporation or Sony Electronics Inc.

An Assignment covering U.S. Patent 6,946,007 has been submitted for recordation prior to issuance. In particular, U.S. Patent 6,946,007 is a Divisional Application of U.S. Patent 6,643,119 for which an Assignment covering the subject matter of U.S. Patent 6,946,007 was recorded before the issuance of U.S. Patent 6,946,007. The Assignment for U.S. Patent 6,643,119 was recorded on November 4, 2002 at Reel 013456, Frame 0201.

Applicants herewith submit a Form PTO/SB44 indicating the specific correction requested. In addition, Applicants submit a highlighted copy of the Title Page of U.S. Patent 6,946,007 showing the location of the error in Item (73). Furthermore, Applicants submit a Credit Card Authorization Form in the amount of \$230.00 as payment for a required processing fee under Rule 1.17(i) for an accompanying Request under Rule 3.81(b) (\$130.00), and for the Certificate of Correction fee (\$100.00) under rule 1.20(a). Applicants hereby authorize the Commissioner to charge the payment of any additional required fees, or to credit the overpayment of any fees, to Deposit Account No. 50-3367.

If there are any questions concerning this Request for Certificate of Correction under Rule 323, the Certificate of Correction Branch is invited to contact the Applicants' undersigned representative at the number provided below.

Respectfully submitted,

Date: 10/21/05
